

# Calling All DoD Contractors & Subcontractors

## Don't Risk Your DoD Contracts! Get CMMC Certified with Confidence!

The Federal government is enforcing stricter cybersecurity standards- soon only CMMC-certified organizations will be eligible for DoD contracts. As an authorized CMMC C3PAO, Paragon Cyber Solutions helps you navigate this process with ease.

### HOW WE HELP

- ✓ **Readiness Consulting:** Identify gaps, strengthen security controls, and prepare for certification.
- ✓ **Certification Assessments:** Conduct official evaluations with clarity and efficiency.

### WHY PARAGON CYBER SOLUTIONS?

#### Business-First Approach

Cybersecurity should support, not disrupt, your mission.

#### Long-Term Partner

We invest in relationships, not just transactions.

#### Proven Federal Contractor

Unlike most C3PAOs, we are a DoD Contractor. We understand the challenges you face because we have navigated them ourselves.

#### Phase 1

Conduct the Pre-Assessment Checklist.

#### Phase 2

Assess Conformity to Security Requirements.

#### Phase 3

Complete and Report Assessment Results.

#### Phase 4

Issue Certificate and Close Out Plan of Action & Milestones.
